HOW KING ARTHUR BURNT THE SPIDER

PIA SNOW– PORNO PRINCESS

WOMEN'S WRITES

DEAR DULCIE

AND

IS THERE SEX AFTER DEATH?

What can you write about a girl like this, she's almost too perfect. Almost. Luckily, like everyone else, she has a few endearing flaws. She likes football, for instance. Soccer, as she calls it. British football in America to be precise. She thinks the goal kicks are really exciting. Hmmm. Meanwhile, back in the studio, she turns on the charm and everything else in sight. Steve wasn't planning on dry ice 'smoke' all over the floor but figured it would help to keep his temperature down. It didn't. The trouble is, there are so many beautiful girls in the Hollywood area. They try so hard to please. And when a girl as gorgeous as Jayme says, half way through the session, "My trouble is I just **love** photographers . . ." – what's the poor chap to do. Keep his mind on his work, that's what. Focussing, lighting and posing – it all takes concentration. You can always tell the photosets where the photographer got too 'involved'. They're the ones we don't publish. So, to Kipple for a moment, you're a better man than I am,

Stephen Hicks.

MAGAZINE

Linzi

When you can find faces as lovely as this, who needs to find new ones? Linzi is not new to you. Do you care? Well then. A great favourite in our sister magazine *Fiesta*, (and you've no idea how much it pains me to mention it—Ed.), we thought we'd give her the *Knave* treatment for a change. Fancy lighting, fluffy clothes,

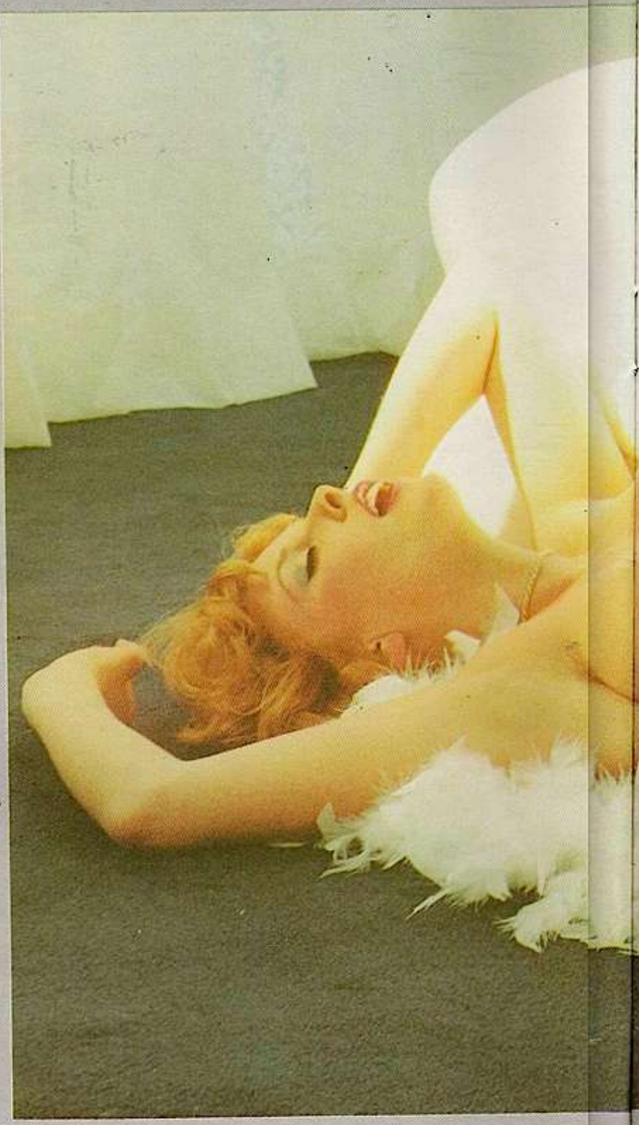
but chiefly — herself! And boy, was it fun! She's a real laugh-a-minute lady, as well as being a mean performer in the turn-on department. That little picture on the right is so realistic it hurts. When it comes to working with naked ladies day in day out, according to K.K. anyway, it's

sometimes hard to think up new poses.
Not so in Linzi's case. She keeps coming up with new ideas and even sexier expressions so fast that it's a job keeping up with her. ''How about like this?'' she asks and we have to say, ''No, love — we've got to be able to print it!'' Such a shame. Never mind, you've got an imagination, haven't you? Well then. For the statistically inclined she's 5′ 8″ tall, has reddish golden hair, a stunning 38-24-36 figure and more personality than anyone that good-looking could ever deserve. Eat Your Heart Out Dept. — It might infuriate you to know that we invited her to our Christmas party, and she was terrific. When Linzi does one of her numbers everyone rapidly loses count. Wonder if we can wangle an Easter Party as well.



Lisa Lewis

KNAVE'S AMATEUR MODEL OF THE MONTH

Five feet two, eyes of blue and what she wouldn't do to you . . . Lisa is Scots, from somewhere near Aberdeen, and works as a Rep. for a clothing firm, (no names, no Mac drill). The twenties look suited her down to the ground and had the same effect on her camiknickers, (that was a bad joke). She kept humming a song about black bottoms — wonder what she meant? Though she didn't reach a state of complete abandon, she certainly glowed with erotic achievement afterwards. In fact she and her boyfriend enjoyed themselves so much that they decided to miss their train and stay on for a drink or three with the Knave staff. So we must be doing something right — wonder what it can be . . .

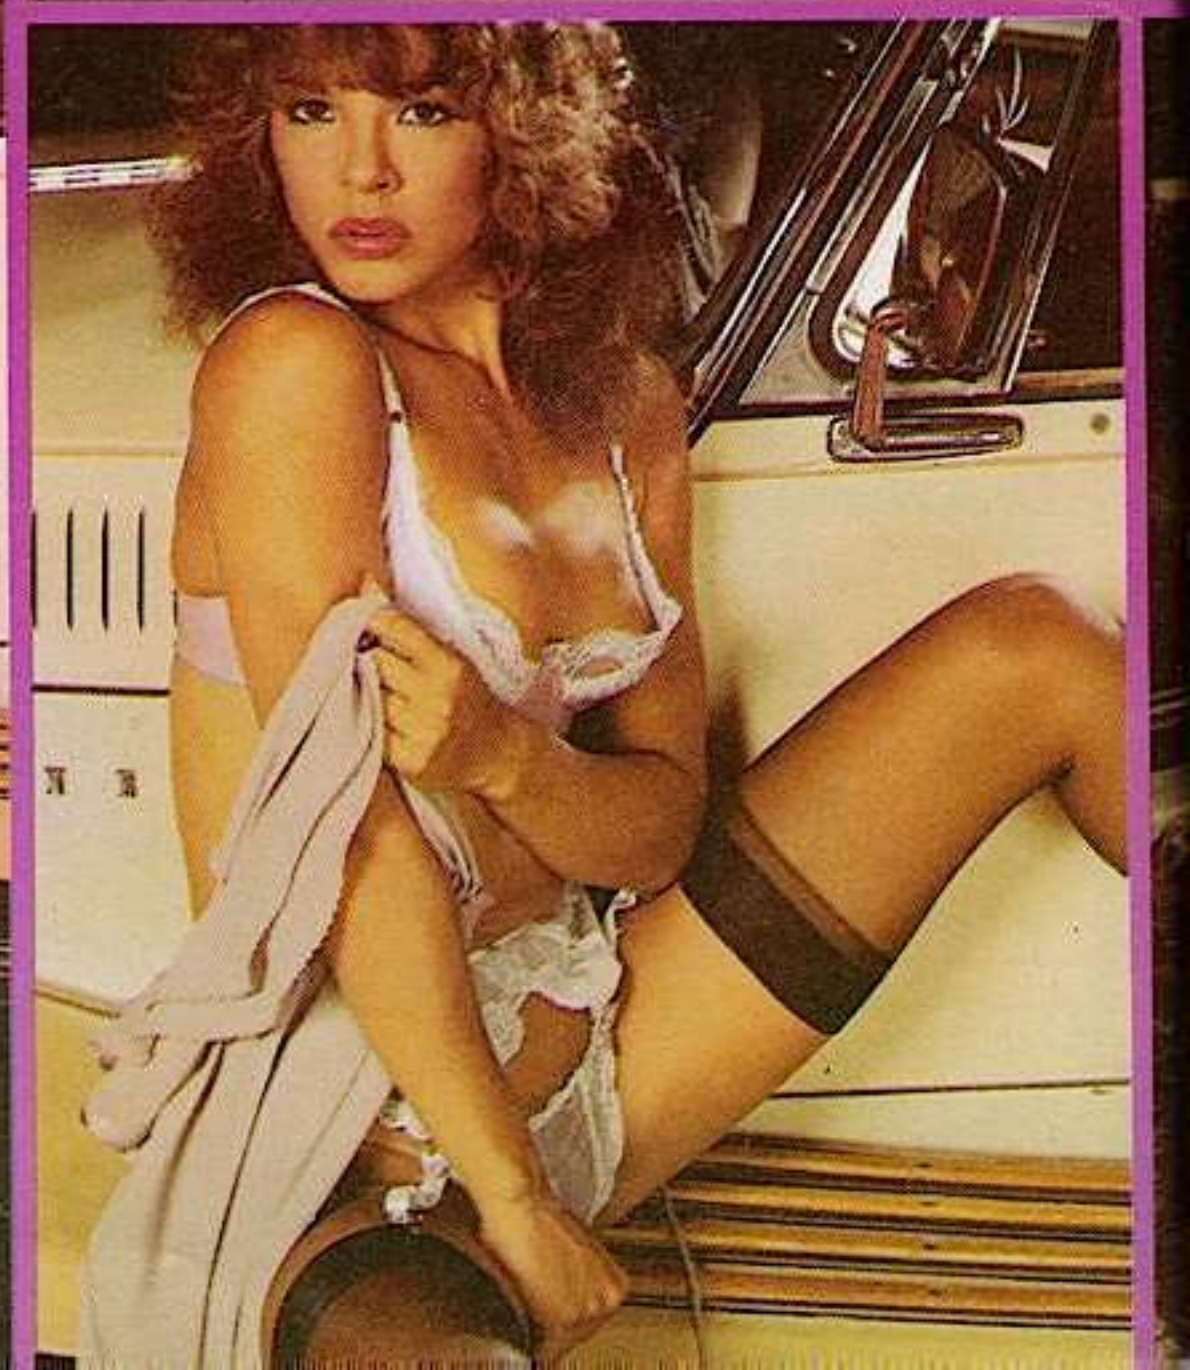
Nadine

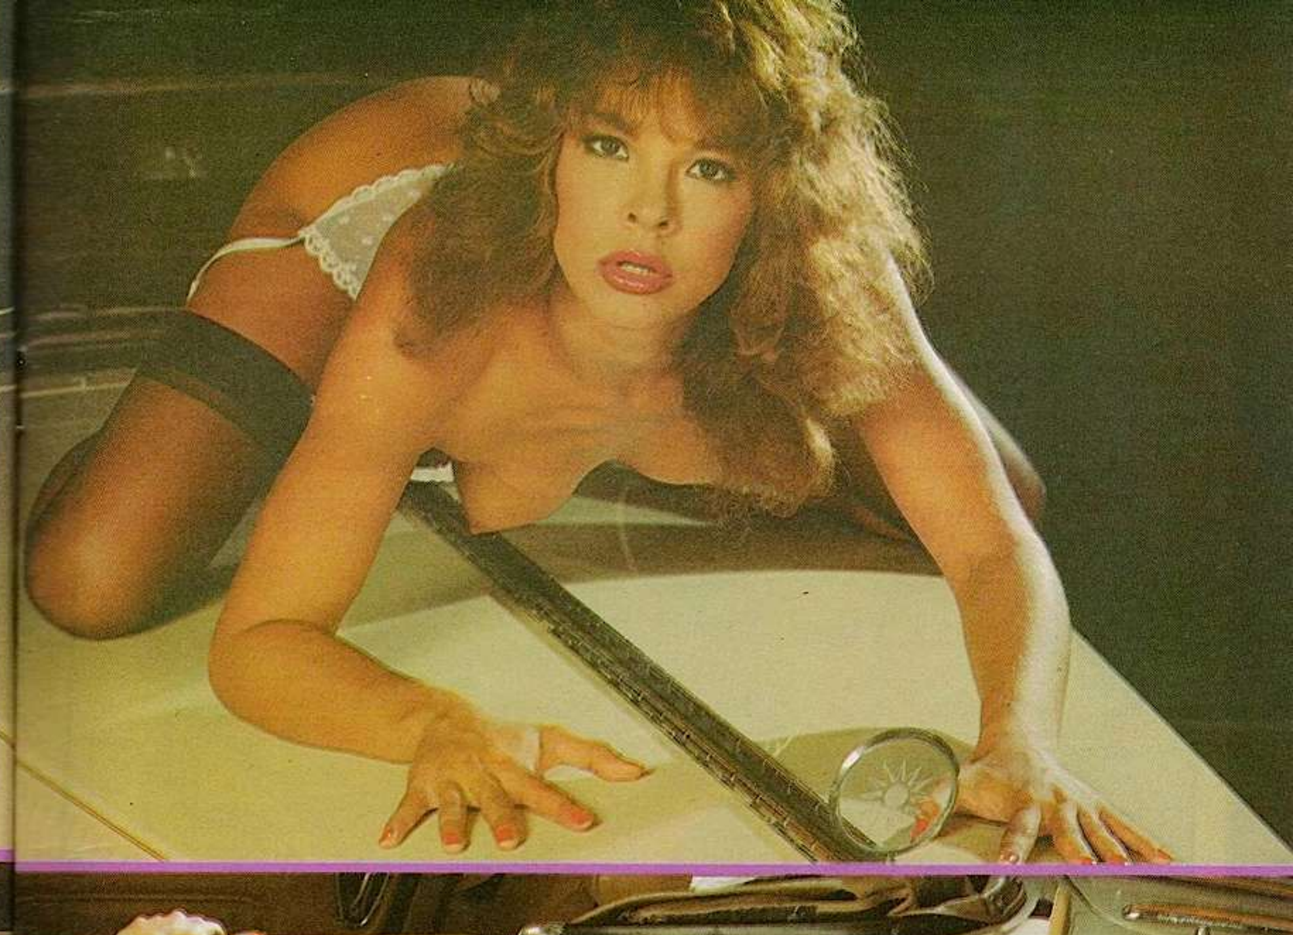
Serge has done it again. Not only does he take great pictures, he finds all the best girls as well. Nadine comes from Nice, although her family originated in Guadeloupe in the French West Indies. She's 19 years old, a dancer, and at 5′ 10″ tall, (175 cms, mon brave), she has what you might call an over powering presence. Interesting note: The grafitti includes the remark that 'Serge Jacques is a pouf'. It was written by Serge's assistant. He's looking for a new assistant. But don't worry, you probably couldn't afford it anyway . . .

PIA

PHOTOGRAPHED BY PETER FLODQUIST



She was last seen, and no doubt drooled over, as our centre spread in Knave Vol. 14 No. 11—under her modelling name, Lydia. In fact she has dozens of modelling names, depending on whether the Editor of whichever magazine she's appearing in takes any notice of what the photographer tells him she's called—or makes up a new name just for the hell of it. But at last we can actually pin her down this time. Her acting name is Pia, Pia Snow. And guess what? She's also our



Porno Princess this month! As you can see, she's still modelling, (these pix were taken last September), but she has also embraced a whole new career as a porno actress. So when you've ruined your retinas over these soft-but-sexy poses, find out how she feels about her hard-core career on pages 38—43...
